Safety on Outbreaks

Staff members diligently monitor residents daily for flu-like symptoms in an effort to help reduce the spread of any virus.

We work closely with Infection Prevention and Control staff with NL and Lab Health Services. Their guidance and suggestions have helped tremendously with controlling the spread of various viruses. It's all about being proactive and recognizing the symptoms early.

Thank you for your continued support and understanding.

Employee Appreciation

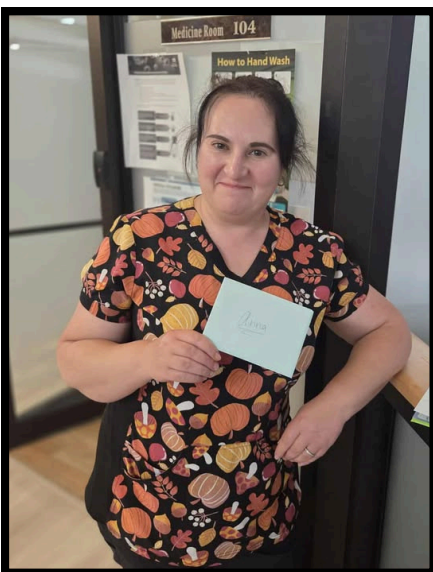

**Rebecca was nominated by a resident this month !
Your kindness, patience, and willingness to help
with even the little things truly reflect the
compassionate spirit we value so much.
Your thoughtful gesture brought smiles and made a
meaningful difference to those you helped. Thank
you for showing such genuine care and for always
being a bright presence in our lives!**

**We want to give a heartfelt thank you to Colleen and Sylvia, who
have been rightfully recognized this month for their incredible
teamwork, leadership, and the positive energy they bring to our
workplace.**

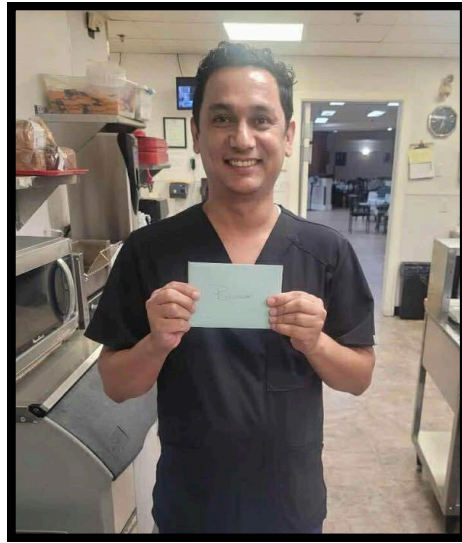

**Described as “the dynamic duo,” Colleen and Sylvia truly embody
what it means to lead by example. The residents love them—and so
do their coworkers. What sets them apart is their humility and
team spirit. Rather than taking a “boss” role, they roll up their
sleeves and work side by side with the team, creating a supportive
and uplifting environment for everyone.**

**That kind of impact can’t be measured, but it’s deeply
appreciated.**

**Thank you, Colleen and Sylvia, for being such a strong, caring, and
inspiring part of our team!**

**Sending a congratulations to Anna who was
nominated by a fellow co worker! Not only
has she taken on extra responsibilities with
enthusiasm, but she also bring a positive
energy to every shift—always greeting
everyone with the best smile, no matter the
hour. . We truly appreciate her commitment
to her teammates and residents.**

We'd like to extend our sincere appreciation to Predip and Bhuwan , our kitchen night staff members, for stepping up!

They have been given extra cleaning tasks and took them with a positive attitude!

Their initiative, teamwork, and fresh perspective are already making a difference, and we're grateful to have them on board.

Thank you, Predip and Bhuwan for jumping in with both hands we're lucky to have you as part of the team!

We'd like to recognize Cindy Morgan for the wonderful impact she's making on our team. A fellow coworker recently said "Cindy is fantastic!" Highlighting not just her efficiency and dedication to her housekeeping duties, but also her kindness and team spirit.

Whether it's jumping in to help with dishes after supper, staying on top of her tasks, or asking thoughtful questions about resident care, Cindy consistently shows her commitment to both her work and the residents around her.

Cindy, your positive attitude, work ethic, and compassion make a real difference. We're so grateful to have you on the team!
