

Admirals Post

February 2026

A circular frame with a red rose border contains a poem. The poem is written in a black serif font and reads:

You are all that I
have longed for,
You have made my
dreams come true.
There is no greater
gift to have,
Than being loved
by you.

Safety on Outbreaks

Staff members diligently monitor residents daily for flu-like symptoms in an effort to help reduce the spread of any virus.

We work closely with Infection Prevention and Control staff with NL and Lab Health Services. Their guidance and suggestions have helped tremendously with controlling the spread of various viruses. It's all about being proactive and recognizing the symptoms early.

If you or your roommate are showing symptoms we are asking you to stay in your room to help prevent the spread
Thank you for your continued support and understanding.
